

# Trashing old electronics does not compute!

Observe **America Recycles Day** by recycling your old electronic equipment. Government employees and residents in the DC Metro area can drop electronics off (**free**) at our collection site. The equipment will be refurbished, or the component materials recycled.

**When?** **Friday, November 14<sup>th</sup> & Saturday, November 15<sup>th</sup>**  
9:00 am to 4:00 pm (each day)

**Where?** **Carter Barron Amphitheatre in Rock Creek Park**  
*For directions/map visit:*  
<http://www.nps.gov/rocr/cbarron/directions/directions.htm>

**What?** **Electronic equipment in any condition**  
Computers, monitors, printers, fax machines, TVs, stereos, VCRs, camcorders, cellular phones, inkjet/toner cartridges, and rechargeable batteries.

**Why?** **Recycling electronics prevents harmful materials from being dumped into landfills or incinerated.**  
Computers and accessories, televisions and other electronic equipment contain toxic substances such as lead, mercury, arsenic, and cadmium. It is important that these materials be handled responsibly and not released into the environment.

**Who?** **Open to all government employees and residents in the Washington, D.C. Metro area.**

**Sponsors?** **Washington, D.C. Recycling Programs, U.S. EPA, Office of the Federal Environmental Executive (OFEE), Dell, UNICOR, and others.**

**Contacts?** For more information contact Albert Ybarra of the Washington, D.C. Recycling Office at (202) 645-8517, [albert.ybarra@dc.gov](mailto:albert.ybarra@dc.gov), **OR** Charles Johnson of OFEE at (202) 564-1078, [johnson.charles@ofee.gov](mailto:johnson.charles@ofee.gov).
